Plan to be a part of this SPECIAL COLLECTION for the Children on Sunday, May 11.

Raintree Village is busting at the seams with children!

There are more kids now living on campus than we have had since 2008! Our numbers continue to climb, and we fully expect to have close to 40 kids calling Raintree Village “home” by summertime.

Those 40 children are 40 reasons why this year’s Mother’s Day Special Collection is so very important, and vital to our on-going work! So many children and youth need a safe place to live... and thrive! Raintree Village is that place. We have become the placement of FIRST resort. County case managers refer other case managers to us, and children often ask their case managers to move them to Raintree Village!

While we are extremely thankful for the trust placed in us, we understand the increase in our total campus capacity makes it necessary for us to dedicate this year’s Mother’s Day Special Collection to:

- Getting the campus back in tip-top shape after enduring last year’s Hurricane Helene; and
- Revamping two of our homes to offer Specialized Care for twenty youth. These two homes will require repairs and upgrades, which will include: interior painting, window blinds, new beds and bedding, installation of sprinkler systems, and increased security features.

In addition to all of this, we hope to use these donated funds to complete our Campus Sidewalk Beautification Project and pay down on our overall debt. Your participation in this year’s Mother’s Day Special Collection will provide safety... beauty... care... and HOPE to the Raintree Village family! I humbly ask for your generous gift.

Thank you,

Kenny Holton, Executive Director
